SMA SURVEY NOW ON-LINE

The Stage Management Association (SMA)¹ is launching an online survey aimed at Professional Stage Managers today

London – 08-04-11 – Stage Management Association today announced

‘Following on from our extensive membership survey in 2008, we are now asking very specific questions of professional stage managers, whether SMA members or not, on the kind of support and advocacy they would like to see from their professional body’, explained Barbara Eiffler, Executive Director of the SMA. ‘The SMA is always looking to improve the services it gives to members and the profession, so we are genuinely keen to hear from as many professional stage managers as possible.’

All participants who leave their email address will be entered into a prize draw for one year's FREE SMA membership or three Paper Props CDs. The deadline for completing the survey is May 2nd.
